SPANISH VISIT

We had an interesting and fantastic visit to our link school in Spain. The six pupils who went sang and danced at the International Day and contributed at the Eisteddfod. They also had time to join in class activities, socialise and make friends and look around the town and enjoy the fantastic beach there. Unfortunately poor weather conditions in Britain and Spain caused major delays on the way home—seven hour delays! - but we all arrived home safely and the visit was a very successful one.
