YEARS 5 & 6 VISIT TO BIG PIT

Years 5 & 6 had a wonderful visit to Big Pit. They were able to travel underground and gain some understanding of what it might have been like to be a coal miner working there. They also learned a tremendous amount in the exhibition, looking at the artefacts on display, reading about them and discussing. Linked to the visit, they've accessed information through books and the internet and have completed an unit of learning which includes some excellent poetry.

CHRISTMAS IN ABERAERON

Our thanks to everyone who joined us in singing carols outside the Town Hall for the switching on of the Christmas Lights.

FIRE SAFETY

Karen Roberts from the Fire Service and P.C. Jackie joined us to explain to the children the importance of fire safety, and how to take care of ourselves on Bonfire Night. The message was given effectively and gained the attention of the children.

CANOLFAN Y FELIN

We are pleased to be able to welcome our pupils from the Welsh Language Unit, Canolfan y Felin, back to school here. Libby, Seren, Olivia, Leah, Amy & Tilly have spent the main part of this past term learning and improving their Welsh. Their efforts have clearly paid off as they now cope well and have settled back well into their own classes here.

FRIENDS OF THE SCHOOL

The Friends of the School held a successful Bingo Evening at the school at the beginning of December. Everyone enjoyed themselves despite having to come through heavy rain!

Later in the month, a number of parents and pupils joined in singing carols around the town. Both events raised important monies to support activities and we thank everyone who supported.

INTERNET SAFETY

P.C.Jackie joined year 6 to discuss how to ensure that we use the internet safely. Our thanks to her for always succeeding in making her message pertinent but interesting.

STRING ORCHESTRA

Once again, a number of our pupils benefitted from the opportunity to play with the Mid Ceredigion Strings Orchestra in a concert. Following weekly practices in Felinfach, the successful concert was held at Lampeter and was greatly enjoyed by everyone.

OUR VISIT TO M & D LIGHTS

A busload of Clwb Hwyl a Sbri members travelled to wonder at the fantastic Christmas light displays at M & D in Nebo and then enjoyed hot chocolate and biscuit at Miss Hind's home before returning to school.

CHRISTMAS SERVICE

Our Christmas Service was held at Peniel Chapel this year. We thank all the pupils who took part and performed so magnificently, as well as all the parents, families and friends who joined us. Our special thanks this year to Gwenno Morgan a former pupil and Marjory Wheeler, a neighbour from Penrodyn who added an extra dimension to our service this year.

We also thank the members of Peniel Chapel who supported us so well. The profits from the collection have added another £100 to our 'Shelter Box' fund—so thank you for all your contributions, we hope to be able to announce that we've been able to purchase one soon!

SCHOOL COUNCIL

The school council continue to work towards raising funds to purchase a 'Shelter Box' to support families caught up in disasters. At their request, the profit of £100 from the Christmas Service collection is donated to the cause. They now look forward to, hopefully, raising the rest on Friday, the last day of term.

They are currently very busy organising the various activities for the day—film, face painting, nail decorations, popcorn, tattoos and squash, which pupils will be able to access on a one off charge of £2.

We'll be able to report on the success of the day next term.

FIRST AID

Year 5 undertook a day's First Aid training, learning the correct procedures in emergencies, resuscitation techniques etc. They all worked diligently throughout the day and we all feel much safer now !

Year 4 extended their knowledge through the Heart Start programme. They revised their existing knowledge and undertook further training.

NUMBER SQUAD

Some of the pupil travelled to Felinfach again, where they undertook a variety of challenging mathematical tasks. Everyone enjoyed the session and are looking forward to the next.

CHARITIES

Our thanks to everyone who has helped recently through 'buying' poppies and filling Christmas boxes.

Poppy Appeal £34

Christmas Boxes 80

MATISSE PANELS

To complete our 50 year celebrations, Pod Clare and her daughter have been in to support the pupils as they learn about the work of Matisse. After the pupils developed their own ideas, they came in to support them in sewing their designs onto panels which will be used to create a wonderful colourful 'cwtsh'.

We look forward to seeing them in situ.

FILM WORKSHOP

Year 6 benefitted from a very interesting and successful workshop on the film 'Wall'. They discussed many of the important environmental issues raised by the film.

Our thanks to Paul from Film club for his support.

AMBASSADORS

Our ambassadors, Manna and Aaron have continued to promote understanding of the Rights of the Child. They led the celebration on the anniversary of the Convention on 20th November in morning assembly.

They have also created and distributed Road Safety Work Searches and organised a Road Safety competition as their monthly tasks with the Ceredigion Road Safety Officer.

BRIDGING SESSIONS

Year 6 have again benefitted from successful bridging days at Aberaeron Comprehensive School to help them prepare for their move there next September.

Our new Nursery pupils who will be starting with us in January, also spent a session here with their fellow pupils and staff so as to help them settle here.

ARAD GOCH SHOW

Foundation Phase pupils had an extra Christmas present with the performance of 'Ble mae'r dail yn hedfan?' by Arad Goch Theatre.
