LLANERCHAERON

The Reception, Yr.1 and 2 class visited Llanerchaeron to learn about life on the farm. We did activities such as making butter, milking a cow, learning commands for Glen the sheepdog to round up the sheep, and fed various animals. While we were there we saw a little lamb being born. We had a lovely walk back to school along the river Aeron. A day to remember!

We now look forward to our next visit!

MARC GRIFFITHS RADIO CYMRU

Year 5 pupils spent the 13th of May in the company of Marc Griffiths. He taught them how to create radio programmes and by the end of the day the class had managed to create a half hour programme for Cymru.fm.

The children learnt so many skills during the day and I'm sure you would agree the experience was amazing. Thank you Marc!

(To listen to it, use the internet and type in cymru.fm and enjoy!)

VISITING IRELAND

Year 4 pupils recently benefitted from the wonderful opportunity of visiting our link school in Rathpeacon, Co. Cork, Southern Ireland. The ferry journey across on Saturday was rather challenging!, but we were very fortunate with the weather throughout the remainder of the visit.

Sunday included inspiring visits to the Queens Town Story and Titanic Interactive Experience in Cobh. Having been studying the Titanic disaster in class, the children were able to better understand the event and have returned with further information and resources.

On Monday, we attended Rathpeacon Primary School and there were opportunities to learn how to hit the hurling ball, participate in Irish dancing, learn some Irish Gaelic, including the Hakka in the language! And generally make new friends.

After school we visited Blarney Castle and, of course, kissed the stone—so we have a group of very articulate pupils now! Tuesday saw us starting our journey back with a stop in Cahir on the way. We visited the wonderful castle there and after lunch, the Folly Swiss Cottage which was designed by John Nash. The journey home was uneventful and arrived back in school at exactly 2.00am, the time specified.

BABY CHICKS

During the last fortnight 4 chicks have been hatched in the Nursery/Reception class. There was great excitement and enthusiasm.

VISITS BY P.C.JACKIE

During the last month P.C.Jackie has been visiting the school doing workshops on safety on the beach for the Foundation Phase children. KS.2 pupils have been following workshops on drugs awareness.

All girls from year 1—6 had a chance to improve their football skills recently with Bryn, a member of the Welsh Footballing Coaching Team.

An enjoyable afternoon was had by all!

RECYCLING SALE

Yet another successful recycling sale was held at the school. Many thanks to all who donated and bought items.

The Fair Trade flag was raised in recognition of the school becoming a Fair Trade school. Thanks to everybody for their hard work and a decision will be made soon regarding how we are going to spend the money.

COOKING CHALLENGE

Year 5 took part in a very unusual challenge last Wednesday, when they tried to attempt a Carex Guinness World Record by baking cookies under the guidance of Miss Rian Evans, Miss Sarah and Mrs.Griffiths-Jones.

It was a wonderful fun activity. Well done year 5!

Please keep your fingers crossed for us!

BEACH ACTIVITIES —MELANIE HEATH

The school welcomed Melanie Heath from Keep Wales Tidy recently to undertake beach activities with different classrooms. The pupils took part in various games and all sorts of exciting activities from looking at food chains and how one missing link from that chain would affect all the other links in the chain to collecting driftwood on the beach.

Thanks to Mr.Sampson for his help with year 1 and 2.

FRIENDS OF THE SCHOOL

Our thanks to the Friends of the School for organising the fund raising Dinner Dance & Auction on Friday 16th May, and to everyone who donated and bid—as well as Dai our fantastic auctioneer.
