YMWELIAD Â GWERSYLL YR URDD LLANGRANNOG

Aeth o pawb o'r dosbarth derbyn hyd at flwyddyn 6 i Wersyll yr Urdd Llangrannog ym mis Medi. Cafodd y plant llawer o hwyl yn ystod yr ymweliad. Dyma rai o'r gweithgareddau: defnyddio'r wifren sip, neidio ar y glustog aer anferth, rhaffau uchel ac ymweld â'r ceffylau. Cawsant gyfle hefyd i nodi beth oedd eu gobeithion am y flwyddyn nesaf. Yn dilyn cyfnod hir o fethu mynd ar ymweliadau roedd hon yn daith arbennig ac yn llesol tu hwnt i'n holl ddisgyblion - a staff!

Dathlwyd y diwrnod drwy greu fideo ysgol gyfan yn dweud "shwmae" wrth bawb. Yna cafodd rhai dosbarthiadau gyfle i wneud rhai crefftau a gweithgareddau fel paentio a lliwio.

YMWELIAD Y DOSBARTH DERBYN Â'R GOEDWIG

Wythnos diwethaf aeth y dosbarth Derbyn am dro i'r goedwig er mwyn gweld sut mae'r amgylchedd yn newid wrth i ni symud mewn i dymor yr Hydref. Fe wnaethant gymharu dail o wahanol liwiau a chael trafodaethau ynglŷn â pham mae'r newid hwn yn digwydd.

GWERSYLL YR URDD LLANGRANNOG VISIT

All children from the reception class up to year 6 visited Gwersyll yr Urdd, Llangrannog in September. The children had such fun taking part in the activities all day. Some of the activities were using the zip wire, jumping on the giant air cushion, high ropes and being able to pet some horses. They also had the opportunity to note what their hopes were for this year. Following a long hiatus from School trips - this day was welcomed by our children - and staff!

WELCOME

At the start of the educational year, 17 new pupils started in the Nursery class, 3 pupils in the Reception class, 1 pupil in year 1, 1 pupil in year 4 and 1 pupil in year 6. By now they have all settled in well and have made new friends.

NEW STAFF

Welcome to Miss Lisa Evans who has joined us to teach the Nursery Class. The children are enjoying her company and learning interesting facts.

TOUR DE BRITAIN

All children were fortunate enough to stand at the start line back in September where they got to meet many famous cyclists and watch them all set off. They then went on to complete many fun activities such as designing their own cycling tops, mapping the route, labelling a bike and discussing bike safety.

KEY STAGE 2

LUNCHTIME CLUBS

We are pleased that the following KS2 lunchtime clubs have been able to start this half term: gardening, ICT and running.

HARVEST FESTIVAL

Each class has taken part in creating videos saying what they're thankful for. These videos will be going out on ParentMail and will appear on the class Teams.

T. LLEW JONES DAY

A day of interesting activities was held to celebrate the achievements of the famous author of T. Llew Jones. The children studied poems, took part in a quiz, created Adobe Spark presentations, completed Oriel Odl doodles and much more.

'SHWMAE SU'MAE' DAY

We celebrated the day by creating a whole school video saying "shwmae" to everyone. Some classes then had the opportunity to do some crafts such as painting and colouring.

RECEPTION CLASS VISIT TO THE FOREST

Last week the reception class went for a walk to the forest in order to see how the environment changes as we move into the autumn term. They compared different coloured leaves and had discussions as to why this change happens.
